

Capelli Stool

- Capelli stool is two identical plywood pieces, each with undulating "fingers" at the top that interlock without tools or fasteners.
- It's an ingeniously stable and graceful structure that's pleasant to sit on and simply beautiful to look at.
- Composed of alternating dark- and light-stained hardwood inner plies and light ash veneer.

Capelli Stool
 Depth: 333 mm
 Width: 394 mm
 Height : 432 mm
