

HermanMiller Healthcare

Monarch™ Multiple Seating

### **A comfortable welcome.**

With its sculpted wood arms, comfortable memory foam seat, and versatile style, Monarch Multiple Seating can make any crowd feel welcome. Mix and match the durable pieces to create a configuration that's just right for any room.

Monarch is part of a coordinated range that includes patient, plus, stack, and lounge seating as well as tables to provide design continuity.

## HermanMiller Healthcare

### Details

Solid maple frame combines durability with a sense of hospitality

Memory foam seat conforms to support each user and then returns to its original shape

Open arms and a wipe-out design allow for easy cleaning

Standard wood arm with urethane arm cap for comfort and durability or optional wood arm cap

The geometry and position of armrest allows easy movement in and out of the chair

Coordinated patient, bariatric, stack, and lounge seating as well as tables provide design continuity
